Europrofile Deadlocks

3 YEAR GUARANTEE

Features

- Range of backsets available
- Faceplate finish SAA
- Stainless steel laminated lockbolts
- Locks accept standard 17mm Europrofile cylinders and thumbturn

Functionality

Deadlocks are available in both bar and hookbolt versions. The locks provide security deadlocking for a variety of aluminium doors including swinging and sliding applications. The hookbolt is constructed from stainless steel and is a 5 ply laminated construction, with the centre core case hardened, complete with hardened roll pin to resist hacksaw attack. All locks are designed to accept standard profile cylinders or thumbturns.
